

Benefits of Leasing - Customer

Why should you use leasing?

Take a look at these 6 fundamental reasons.

- 1.** Arranging finance through CHG-MERIDIAN Capital at the outset will give you the purchasing power of a cash buyer.
- 2.** Leasing is a means to pay for any capital purchase with low fixed monthly rentals, which means you can budget and manage your cash flow in a more cost efficient manner.
- 3.** It is a way of managing obsolescence without writing off large single sums.
- 4.** Leasing allows you to invest your money in other areas where you will get a higher return on capital employed.
- 5.** It is the route to bridging the gap between what you need and actually can afford. It means you can have tomorrow's technology today.
- 6.** Rentals are fully allowable against taxable income, similar purchases are not.

These are just a few of the reasons why 8 out of 10 accounting firms use leasing and why 85% of the Times Top 100 companies use leasing.
